NO GUARANTEE IS GIVEN ON THE FOLLOWING:

- A. Against PARVO, CORONA VIRUS AND KENNEL COUGH as immunities vary with each dog
- B. Payment of any veterinarian bills made/incurred by the buyer
- C. Female dogs being able to produce litters or male dogs having both testicles when mature.
- D. For show potential, size of the dog, slipped-joints, or death due to negligence on the part of the buyer.
- E. Against hip dysplasia, thickness of coat , or any and all mites and or parasites.
- F. Retained baby teeth, bite or luxating patellas
- G. Ignorance feeding Hypoglycemia (low blood sugars) is not covered.

There are NO CASH REFUNDS under any circumstances The buyer is hereby advised that the dog is sold as is and without warranty or recourse beyond 72 Hours of sold Date/Time or pick-up Date/Time (whichever is later) It's the buyers prerogative (but is suggested) to have the dog checked by a veterinarian within 72 hours of purchase/pick-up at no cost to the seller and seller shall be notified within the 24 hours if a Licensed veterinarian determines the dog has a un-treatable life threatening disease or illness. Dog is to be returned with written notification from the licensed veterinarian within 24 hours to qualify for a replacement dog only. There are no cash refunds. If a replacement dog is unavailable at the time then buyer will have first pick of same sex purchased from next available liter. Seller has the right to choose another veterinarian for a second opinion to confirm diagnosis before a replacement dog is given. Health Guarantee VOID if dog/puppy is sold to another party or given away.

The sale of this dog/puppy to a research laboratory facility would result in a min \$500.00 penalty plus court costs.
